) RESPONSE TO
NOTICE TO FILE MISSING PARTS

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

The notice to file missing parts indicated that the signature of Paul J.A. Krimpenfort was missing.

In response, the PTO is advised that the parent application was filed under 37 CFR §1.47(a). A copy of a declaration signed by the co-inventors on behalf of Dr. Krimpenfort has already been filed. Applicants now attach a copy of the 1.47(a) petition and the decision granting the petition.

It is respectfully submitted that the granting of the 1.47(a) petition in the parent carries over to the continuation and that the 1.47(a) procedure need not therefore be repeated in the continuation.

Respectfully submitted,

Joe Liebeschuetz
